The Good Food Project CSA Member Agreement

I understand that I am making a commitment to pay and recognize that there is no guarantee on the exact amount of produce I will receive for my share. The CSA harvest is protected by sustainable and organic farming practices such as organic soil improvements, crop rotation, and hail netting among others. *I will share both the rewards and the risks of the growing season along with the other members and the growers.* It is my responsibility to pick up my share within the scheduled pickup hours at the pickup locations. If my share is not picked up by me or a designated friend, I understand that it may be donated elsewhere. I am responsible to pay the full cost of the membership at the time of sign-up, unless other payment arrangements are made.

The Good Food Project is making the commitment to its CSA members to bring the best mixed share of chemical-free vegetables, delivered to arranged locations each week for approximately 16 weeks (around mid-June to mid-October).

Please fill out completely:

- * A Single Share feeds 1-2 adults
