Plot Tennant Application

Guidelines:

- I will have something planted in my garden plot by May 1st and keep my plot planted all summer long.
- If I must abandon my plot for any reason, I will notify the manager before doing so.
- I will keep weeds down in my plot and maintain walkways and areas immediately surrounding my plot.
- If I see trash in the garden, I will pick it up to help keep the gardens looking clean.
- I will do my best to attend workdays to get to know my fellow gardeners and to help with garden upkeep and special projects. Workdays are scheduled monthly and posted on Facebook.
- I understand this is an organic garden and will not use chemical fertilizers, pesticides, insecticides or weed repellents. I will also not use black plastic weed barriers, biodegradable material only (newspaper, cardboard, etc.).
- If I bring my pet to the garden, they will be kept on a leash or tied up. I will also pick up and dispose of any litter they make in the trash, not the compost!
- If I have any friends who wish to tend or harvest my plot, they must be accompanied by myself (exceptions can be made, contact the manager).
- I understand that common areas and herb beds are shared and will harvest conservatively.
- I agree to pay the annual fee for my garden plot to help cover garden expenses. I understand I will not receive my key until the fee is paid.
